

Home Reading Resources en français et anglais

Disclaimer:

For some of these resources, teachers would need to have set up accounts for students to access. Please speak to your child's teacher if you do not have access.

Francais	
La li lo	Teachers can create a class and assign phonics and reading activities and games for games.
Je lis, Je lis	Students can access levelled books to practice their French reading skills. All books come with audio and print so that students can listen or read independently. Contact your child's teacher for more information on how to login.
Idello	Access French language educational videos and other resources. Video for parents . Supports the "Boukili" leveled library for at home reading.
Biblio numérique	Access a selection of levelled reading resources in French. Contact your child's teacher for access information.
Storybooks Canada - French	Resource for early and developing readers en francais https://www.storybookscanada.ca/stories/fr

English	
Sora (Overdrive)	Access the collection of eBooks, Audiobooks and Read-alongs for DDSB@Home and all of DDSB. Students can borrow books digitally (similar to accessing books from a physical library). Find more information and access instructions here!
Raz Kids	Raz Plus has levelled books and resources for students. Teachers can assign these resources based on student needs. Please contact your child's teacher for more information.
Epic	Teachers can create a classroom for students where students can access all books during school hours. Parents can extend this access by signing up for an extra 2 hours per week for free. Find out more information here!
Tumblebooks	Levelled e-books, graphic novels and picture books are

	available at Ajax, Whitby, Oshawa & Pickering public libraries. Check with your local library.
